Lyra Guided Self-Care

Meet with your personal Lyra Coach for a live video consultation to discuss your needs. Your coach will get to know you one-on-one so you can plan a path forward, together. After your initial session, your Lyra Coach will craft a personalized six-week digital care plan with activities that directly address your goals. Work through your care plan at your own pace and on your own schedule. Your coach will keep you on track, provide specific feedback, and be available via messaging for questions and support.

Lyra Coaching

Work with your Lyra Coach through regularly-scheduled sessions to better understand what's challenging you, decide what you want to work on, and plan a path forward. Choose to connect with your coach via live messaging through your mobile device or from your computer, or meet "face-to-face" over live video on a recurring basis. As you work together, you'll continue to develop your toolkit of skills and strategies to support your mental health, and build strength for lasting change.
