The staff tuition benefit calculations do not include differential tuition rates. Staff Tuition Benefit will vary for differential tuition rates

The Staff tuition rate is the same for residents and non-residents.

The Staff Tuition benefit for non-residents is determined by the difference between non-resident tuition and the staff rate.

Staff members are **not** charged fees.

The staff tuition rate only applies to the first 12 credits. Students are charged \$183 for each additional credit over 12.
