GuidanceConnectSM

A Flexible Solution for Accessing Care

We have redesigned our award-winning website, GuidanceResources[®] Online, to make it even easier for you to get the support you need, whenever you need it.

What's new?

GuidanceResources[®] Online is now streamlined to make it easier to find what you need quickly. At the top of the page, we've added a "Connect to Care" menu, which offers you instant access to 24/7 live clinical support, or you can find a network therapist through the new GuidanceConnectSM feature.

GuidanceConnectSM

Offered as a complement and alternative to our 24/7 live clinical intake experience, GuidanceConnectSM allows you to find a network therapist through the portal. After answering a few simple questions, you will be matched to a pool of therapists who meet your clinical needs and preferences. Whether you're looking for in-person, telephone, video or chat counseling, you can select your perfect therapist right there in the portal. Check it out today at guidanceresources.com.
