We can special-order certain items not routinely stocked and have them within one business day.
Services
The pharmacy is located on the first floor of the Plageman building (Student Health Services) in Room 109. It is staffed by registered pharmacists, pharmacy interns and pharmacy technicians who are available 5 days a week to fill prescriptions, provide drug information, and answer health-related questions.

In addition, a variety of over-the-counter items are available for purchase by faculty and staff at competitive prices. Payment on any pharmacy purchases can be made by check or cash.

Sorry: No debit or credit cards accepted.

Pharmacy services are available to OSU students, staff and faculty with valid ID cards.

For flu shots you can schedule an appointment with one of our immunizations experts by calling 737-3491.

Prescriptions
We can fill prescriptions from any practitioner.

We can special-order certain items not routinely stocked and have them within one business day.

We can bill prescriptions directly to a variety of health insurance plans.

We can transfer prescriptions from anywhere and to anywhere in the United States.

We are certified immunization specialists.

We can compound some medications.

Our Mission
To contribute to the success and well-being of Oregon State University students and the university community by offering comprehensive pharmaceutical care services.

Insurance
We are able to directly bill prescription medications to a number of insurance plans including Providence Healthcare, Pacific Source, Blue Cross/Blue Shield of Oregon, Caremark, Health Net and Pharmacare plans among others. Most Oregon Health Plan options are also accepted. Ask us for more information.
