Do you have Work-Study; if so, how does it work?

- Work-Study Awards are handled by the Office of Financial Aid.
- Most hourly student positions are eligible to use the work-study award.
  - The award is automatically applied to eligible positions.
  - You and your supervisor will receive an email from the Office of Financial Aid with Conditions of Federal Work-Study Employment information.
- You will still receive a regular paycheck.
  - Work-Study award does not reduce your loan or tuition balance.
- If you don’t use your entire award balance, you will lose it. It cannot be applied to another academic year.
  - Is tracked on your timesheet.
How do I clock in/out for work?

- EmpCenter is OSU's timekeeping system
  - Must select correct timesheet (Listed by Job Title)
    - Select clock in/out
    - Manual entry requires a comment to be added
    - Balance tabs located at bottom of timesheet
      - Oregon Sick Leave
      - Work-Study
  - Must enter all meal (lunch) periods but not rest (breaks) periods
  - Must be finalized and submitted by noon on the 16th of the month, otherwise will be paid based on what is entered
- Read the EmpCenter User Guide, link on last slide
If I’m out sick, do I still get paid?

- Oregon “Mandatory” Sick Time Law does apply to student employees
  - Available to use on the 91st calendar day of employment
  - Accrue one hour of sick leave for every thirty hours worked
    - Balances are tracked on your timesheet in EmpCenter
  - Able to use up to 40 hours of sick leave per academic year (July-June)
  - Those using their Work-Study award are not eligible for accrual or use of sick leave.
  - Remaining sick leave is not paid out upon termination
