

KAISER PERMANENTE NORTHWEST

# EYE CARE IN LANE COUNTY

We provide quality, service, and affordability for every member. Our experienced team of local affiliated providers includes optometrists, ophthalmologists, and opticians who are here to support your vision and eye care needs.

## Vision Care and Follow-Up Appointments

Members can self-refer for routine eye exams and associated vision hardware.

For diagnosed medically necessary conditions or eye care outside of routine eye exams, the following referral process applies:

- Oregon Eye Associates (and affiliates indicated below) or PeaceHealth Eye Care and Optical Shop faxes the Kaiser Permanente Regional Referral Center a preauthorization request for care.
- The Regional Referral Center will review and make a preauthorization determination and notify the provider and member.
