

# Providence Health Plan Online

## Connect to your personal plan information.

At **ProvidenceHealthPlan.com**, you'll find resources to help you stay healthy, and tools to help you get the most out of your health plan including pharmacy resources and a searchable provider directory. When you register for a free **myProvidence** member account, you'll have secure access to your personal health plan information—at your convenience.

### Here is what you can expect to find at myProvidence.com:

- **Personal health plan information in one place**  
Your myProvidence account gives you on-demand access to health plan information including: your benefit summary, claims history, Explanation of Benefits (EOBs), summary of benefits and coverage, and the member handbook.
- **Easy health plan management**  
Set user preferences, such as opting out of paper EOBs, order a replacement member ID card, or see how much of your deductible you've met and how much you've paid toward your out-of-pocket maximum.
- **Treatment and prescription drug cost estimators**  
Estimate medical treatment or prescription drug costs and compare your options against multiple providers and pharmacies.

- **Personal health assessment**  
Take a personal health assessment\* and find out what you're doing well and where you can improve.
- **Exclusive member discounts**  
Access discounts on fitness memberships, travel, recreational activities, cultural events and more.
- **Free e-Card app**  
View, fax or email your member ID card from your smartphone (available for iPhone or Android devices).

---

**A myProvidence account is required to access some of these services.**

### Register for a myProvidence account in 3 easy steps:

1. With your member ID card handy, go to **myProvidence.com**.
2. Click "Register for a new account" and complete the required information.
3. Bookmark **myProvidence.com** for easy future reference.
