- No waiting in line

Requirements

- An eligible address within delivery service area
- A valid credit card for payment
- A prescription with at least one remaining refill

Not eligible for same day prescription delivery

- Certain state-administered health plans
- Compound medications
- Over-the-counter (OTC) products
- Other restrictions apply. Call for details*

FREQUENTLY ASKED QUESTIONS

Where is same day prescription delivery available?

Same day prescription delivery is available at eligible addresses within the delivery service area.

Can I track my delivery?

Yes. If you provided a phone number at the time of your order, you should receive a status notification from the delivery courier. Delivery status can also be obtained by calling the pharmacy at 888-413-0608.

What kind of packaging will my prescription be delivered in?

Your prescription will be delivered using secure packaging with your name and address on the outside. The security bag will prevent anyone from seeing what medication is being delivered.

What if there is an issue with my prescription delivery order?

If there are any questions or concerns about your prescription delivery order, please call 888-413-0608 immediately.

For more information or to place your order by phone, call us at **888-413-0608**

*Same day prescription delivery is available for eligible prescription drug orders. Same day prescription delivery is not available to every address or from all pharmacy locations. Order cutoff times and delivery days may vary by pharmacy location. Delivery may be subject to delays. Delivery fees apply and may vary by location. Advance payment by credit, debit, or FSA/HSA card required. In most cases, FSA/HSA cards may not be used for delivery fees. Other restrictions apply. Same day prescription delivery program is subject to change. Call the number above for more details.
