

weightwatchers
reimagined

A healthier family starts here

PEBB and WW (Weight Watchers® Reimagined) are working together to help you reach your wellness goals. Through this partnership, **PEBB is covering 100% of WW membership costs** – a retail value of up to \$44.95 per month¹.

For anyone enrolled in a PEBB medical plan ages 18 or older

WW's customized program is proven to make weight loss easier².

Everyone's weight-loss needs are different. That's why WW's program, *myWW*[™], is customized to make losing weight **easier for you**.

When you join WW, you can **lose weight** and build healthy habits with a science-backed program that's tailored to your life.

For dependents ages 10-17

Kurbo by WW helps kids and teens build healthy habits, for life.

Kurbo's research-based program uses personal coaching and a mobile app to encourage behavior change. Kids will **eat healthier, move more, and feel great!**

To sign up or learn more, visit [PEBB.ww.com](https://pebb.ww.com) and enter Access ID: 15066304

Anyone enrolled in a PEBB medical plan ages 18 or older are eligible to participate in WW offerings. Dependents ages 10-17 who are enrolled in a PEBB medical plan are eligible to participate in Kurbo by WW.

Once prompted for your Health Plan ID, follow the instructions depending on your health plan:

Kaiser Permanente: Kaiser Permanente Member Record Number (found on ID Card)

Moda Health: 9 character ID Number and the 2 digit suffix by your name (found on ID card)

Providence Health Members: Providence Health Plan 11 Digit ID Number (found on ID card)

Questions? Call 1-866- 454-2144 (Monday-Friday 6:00 a.m.-6:00 p.m. PT; Saturday 6:00 a.m.-2:00 p.m. PT.; Sunday Closed)

¹ "As low as" price reflects the Digital membership plan for an employee. Monthly payment is required in advance. You will be automatically charged each month in accordance with company pricing until you cancel or your employment with your company terminates. For Workshops: In person Workshops are temporarily virtual. Available in participating areas only.

² In a six-month study, funded by WW, 88% of participants said *myWW* was an easier way to lose weight versus when they tried on their own.
